

THIRD INDUCTION PROGRAMME

The third and last of the induction programmes allotted to the centre was inaugurated on 17th January 2019 by Dr. V. Georgekutty, the Controller of Examination, University of Calicut. Twenty seven young teachers from all over Kerala attended the course. More than fifty resource persons engaged a total one hundred and twenty sessions. Participants were trained with all important issues, challenges and prospects related to higher education such as innovative curriculum development, ICT enabled teaching, learning and evaluation, research, governance in the field of higher education, etc. Participant's seminar papers were presented and discussed in the presence of subject experts. Micro-teaching lesson plan preparation and skill analysis gave the participants an opportunity to understand their strength and weaknesses in the area of teaching. EMMRC, University of Calicut provided the technical support for recording participant's micro teaching sessions. Outcome of the course was tested by administering a multiple choice test paper at the end of the course in which all the participants performed very well. One-day study tour to the Kerala Veterinary and Animal Science University, Wayanad provided the teachers an opportunity to gain some infield experiences.

Dr. K. Mohammed Basheer, Hon. Vice Chancellor, University of Calicut distributed the certificates and delivered the valedictory speech.
